Report of the Directors for the year ended 31 December 2019

The directors present their report and the financial statements for the year ended 31 December 2019.

Principal activities

The Charity Tax Group (CTG) originally consisted of a group of charities set up to improve the fiscal treatment of registered charities and similar bodies through representation in the UK to the Government, to HM Revenue & Customs and to the Charity Commission and in the European Union to the European Parliament and to the Council of Ministers and other bodies as deemed appropriate.

The Directors of the company are also the members of the company for Company law purposes and are elected by the Contributing Charity Members in accordance with the Articles of Association.

Professional firms with charity clients and which have an interest in tax issues are eligible to join as Observer Members, but are not Company law members of the company.

CTG is not itself a charity. However, the directors, having regard to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011, consider that the company operates for public benefit.

John Hemming Chairman

(registered as a company limited by guarantee in England and Wales number 08028281)

Independent Examiner's report to the Board of Directors on the unaudited statutory financial statements of Charity Tax Group for the year ended 31 December 2019.

I report on the financial statements of Charity Tax Group for the year ended 31 December 2019 which are set out on pages 4 to 10.

Charity Tax Group is a public benefit interest entity that is not a registered charity. In planning and reporting on the work carried out, the recommendations applicable to charities have been recognised and that terminology has been adopted in this report.

This report is made solely to the Board of Directors as a body and my work has been undertaken so that I might state to the Board of Directors those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume reponsibility to anyone other than Charity Tax Group and its Board of Directors as a body for my work or for this report.

Responsibilities and basis of report

As the directors of the Company you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard appliacable in the UK and Republic of Ireland (FRS102))

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Statutory Information

Charity Tax Group (CTG) is a private company limited by guarantee, registered in England and Wales (registered number 08028281) and thus does not have share capital. The registered office is Church House, Great Smith Street, London SW1P 3AZ. Each of the members is liable to contribute an amount not exceeding £10 towards the assets of the company in the event of liquidation.

2 Accounting Policies

(a) Basis of preparation of financial statements

These financial statements have been prepared on a going concern basis under the historical convention in accordance with:

- the Financial Reporting Standards applicable in the UK and Republic of Ireland (including FRS 102),
- the Companies Act 2006; and
- with reference to Charities SORP (FRS 102) as is permitted by paragraphs 7 and 8 of FRS 100.

The company is a public benefit entity that while not a charity effectively operates for and within the charity sector. For that reason these financial statements and notes use terminology that is recognised in the charity sector.

The COVID-19 crisis has led the directors to evaluate the company's future income streams in the light of the pandemic. Income for the year to 31 December 2020 has held up well. However, with the significant drop in charity income due to the pandemic there is uncertainty as to its impact on the company's future donation income. The level of the company's reserves is such that it has time to develop other income streams should its donation income decline significantly. As a result, the going concern basis is considered to be appropriate in the context of the company's ability to meet its obligations as they fall due, in the period of twelve months following the date of approval of these financial statements. In this consideration, the company's asset position, the level and profile of its liabilities and the company's ability to determine the level of activities have been taken into account.

(b) Income

Income is recognised in the Statement of Financial Activities (SOFA) when the following conditions are met:

The company becomes entitled to the resources.

The receipt is probable; and

The monetary value can be measured with sufficient reliability.

Where incoming resources have related expenditure both income and expenditure are shown gross.

Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Grants receivable are recognised when due and when any conditions for receipt are met in accordance with the "performance model" described in FRS 102 paragraph 24.5B.

Grants or income received for specific purposes are not general income or unrestricted funds of the company. Instead they are allocated to a restricted fund as appropriate. Any grants or donations not used for their original purpose are returned to the funder or to the donor.

(registered as a company limited by guarantee in England and Wales number 08028281)

Notes to the Financial Statements for the year ended 31st December 2019

CTG benefits both from the contributions of volunteers, including its Directors and many advisors, and from other goods and services that are provided by supporters free of charge. It is not considered practical to attribute a value to those items in these financial statements.

(c) Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the company to pay out resources. All resources expended are recognised on an accruals basis. CTG includes the cost of VAT incurred in the relevant expense category.

(d) Intangible fixed assets and depreciation

Intangible fixed assets are stated at cost less accumulated depreciation and assessed for any impairment of value.

Depreciation on intangible assets (website and portal) is provided on a straight line basis at 33.33% per annum.

(e) Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. These are initially recognised at transaction value and may be subsequently measured at their settlement value.

(f) Funds (Capital and Reserves)

Restricted Funds and Designated Funds are included within Funds (Capital and Reserves).

Restricted funds can only be used for particular purposes specified by the funder/donor or be funds raised for a specific project with the knowledge of the funder/donor.

Designated funds are funds which the directors have allocated for a specific purpose from free reserves.

Amounts donated or designated for a specific purpose are released from the reserve in the year in which the restriction or designation is fulfilled (see (b) above).

3 Voluntary donations from member charities

Voluntary donations from member charities contributing to unrestricted funds were received in the year in the following bands:

Values of individual donations	Number of charities donating within that	Total donations within that band
>£10,000	4	£70,490
£1,001 to £10,000	12	£34,306
£501 to £1,000	46	£34,870
£251 to £500	51	£20,855
£1 to £250	50	£8,135
	163	£168,656

4 Taxation

In considering the factors affecting the tax charge for the year, the directors have given consideration to the company's activities and its taxable status and have concluded that a tax liability relating to 2019 and previous years does not arise.

5 Staff costs and Directors' Remuneration and Benefits

There were no staff employed in 2019 (2018: nil) and there were no directors' remuneration or other benefits for the year ended 31 December 2019 (2018: nil).
